III INTERNATIONAL CONFERENCE ON PhD RESEARCH ABOUT TRANSLATION

CALL FOR PAPERS

DESCRIPTION

This third edition of the conference aims at focusing on PhD research in the field of translation, as well as providing a forum for exchanging ideas and improving together. This encounter is part of the training activities of the PhD programs in Literary Studies and Theoretical and Applied Linguistics, and is organized by PhD students of these programs. This conference is supported by the Department of Linguistics, and Arabic, Basque and East Asian Studies, the Department of Romance, French, Italian and Translation Studies, and the Vice-Deanery for Research and PhD Studies of the Faculty of Philology. This conference is geared towards MA students, PhD students and people who have recently defended their dissertation (within the last three years).

LINES OF RESEARCH

- Audiovisual translation
- History of translation
- Ideology and sociology of translation
- Interpreting
- Literary translation
- Specialized translation
- Translation and new technologies
- Translation and society
- Translation theory

Proposal Submission Deadline: **October 19, 2025.**

Acceptance/Rejection Communication Date: **December 15, 2025**

Attendance Registration Deadline: **February 27, 2026**

PARTICIPATION AND ATTENDANCE

We would like to invite undergraduate, MA students, PhD students and young researchers to attend, as well as those who are interested in reflecting on the latest lines of research in translation. We would also like to encourage translation MA and PhD students and young researchers to send their communication or poster proposals on their research projects.

All proposals must meet the lines of research above, they must be original and unpublished, and they may be written in Spanish or English. Abstracts should have an extension between 200 and 300 words without references and must include a biographical note of max. 100 words. Please, fill in the participation form available in the following link: https://forms.gle/WaaRkrqR5n5sMzyo8
